

The Scott Delforte Foundation Snowsports Club Application Form

Snowsports Club Advisors:

The Scott Delforte Foundation will be offering scholarships to eligible students this year. The program will be awarded to individuals wishing to participate in their school's snow sports program with special considerations and weight given to a needs basis. Other criteria that will be considered include; those who have demonstrated outstanding academic achievement and exemplary school conduct, and based on the content of the applicants' essay. The scholarships are awarded on an annual basis. Additional school staff members may be contacted as a reference to the individual's academic achievement and school conduct. The Board members of The Scott Delforte Foundation will choose the scholarship recipient(s), at their sole discretion and in accordance with the guiding principles established herein.

The program will provide the recipient with all of the registration fees required to participate in recipient's ski club program. If needed, ski, board, boots, and helmet rentals will be provided at the Bristol Mountain equipment rental offices. The recipient is responsible for any and all additional needs (e.g. food, beverage, clothing, and transportation to and from Bristol Mountain).

Deadline for application submission is October 22, 2021.

This year the application is available to be filled out online at BristolMountain.com/DelforteApp/. A paper form can also be submitted (see attached).

Please consider that we receive more applications than can be funded. Be sure the students submitting applications are those that will not be able to participate in the program without assistance.

Season pass holders of any type are not eligible for the award of this scholarship. Bristol Mountain will confirm that the applicants do not have season passes of any type. The Snowsports Cub Pass is not transferable to any other person and must be used by the awarded scholarship winners. Relatives of any ski club advisors are not eligible for award.

We're looking forward to an incredible season at the mountain,

Bristol Mountain Group Sales Staff
