A Message from the Director

Happy New Year Hilton-Parma!

It is officially the year 2020! This past year was filled with so many memorable experiences and we thank you all for helping us create them.

Most recently, we had some great times and perfect days at events such as our Apple-Derby Run, Halloween Celebration and Grinch themed Community Christmas Tree Lighting. Did you get your 2019 HP Parks & Rec. Tree Ornament?

Additionally, we are thrilled to highlight our very own Parma Town Park. After installing new Tennis Courts just a few years ago, the positive work continued in 2019 with the addition of a permanent Gaga pit, Community Garden, re-opening of our football field and reconstruction of two full-sized ballfields which will be used for the first time this spring. Both the Gaga pit and Community Garden were projects provided by two different Girl Scout Troops and a private donor (for the Gaga pit). We are so thankful for the hard work and generosity of all involved as they will help provide countless joyful experiences for years to come. We look forward to continuing that momentum into this year with a few very big scheduled projects!

Before you dive into this edition of our Experience Program Brochure, I would like to welcome a new member to the Parks & Recreation Team; Park Foreman Phil Smith. Phil is a Hilton graduate and has already brought a great deal of enthusiasm, vision and energy to the Hilton-Parma Community.

As always, thank you to my team here at the Parks & Recreation Departments, in addition to our many community partners and the Town and Village Boards.

I look forward to experiencing all that 2020 has to offer with you all soon,

Thomas Venniro, Director of Parks and Recreation

Special Olympics
New York

We are excited to begin a partnership with Special Olympics New York. It is the mission of Special Olympics New York to provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with an intellectual disability, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in the sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community. As of the latest census data, they serve roughly 67,000 athletes who are supported by over 37,000 volunteers.

It is our goal to continue this mission locally in the Hilton-Parma community by offering opportunities both independent of, and in conjunction with, Special Olympics New York. At this time we are working on starting a club in the Hilton-Parma area that would offer various activities/sports. Once we have this established, we will be in need of volunteer coaches who receive a thorough training from Special Olympics New York. Coaches are influencers, role models, and character-builders. They teach not only the skills –but the spirit– that defines every true athlete. Special Olympics New York coaches go even further as they help athletes with intellectual disabilities discover the champion within, to nurture their strengths and celebrate their abilities, teaching athletes to be brave and determined.

Be on the lookout for information soon but if you are interested in coaching or know an interested athlete, please feel free to reach out to Thomas Venniro at tvenniro@parmany.org.

Supervisor's Note & Friends Info

Dear Community,

Winter is upon us and it is time to sign up for one or more of the great recreational programs offered by the Town. Please explore this brochure to view all of the opportunities available.

With the snow season in mind, I would ask that you all be considerate of the municipal plows on the roads as we venture through the winter. The Town and Village have dedicated employees with your safety in mind as they plow and salt our roads.

I do wish that everyone enjoyed the Holiday Season and along with me, are looking forward to a Happy New Year!

Jack Barton, Parma Town Supervisor

ABOUT OUR DEPARTMENT

The administrative staff of the Parma Parks and Recreation Department is made up of full and part-time staff. They watch over the department operations with a support staff consisting of part-time permanent employees, roughly 50 seasonal employees and approximately six dozen contractual staff. The department coordinates over 300 volunteers who commit roughly 8,000 hours of service yearly.

The staff are members of the New York State Recreation & Parks Society, the Genesee Valley Recreation & Parks Society, the National Recreation and Parks Association and the International Council of Active Aging.

Most recently, the Department was recognized by the New York State and Genesee Valley Recreation and Park Societies who recognized us with awards for Program of Merit for Creative Tech Camp for Girls, Above the Call of Duty Volunteerism (Dave Tresohlavy) and Outstanding Corporate Sponsor (Caraglio's Pizza) in 2017-2018. Department Director, Thomas Venniro also received the Outstanding Community Partner Award by the Department of Recreation and Leisure Studies at SUNY Brockport in April of 2018. In the past four years the Department was also recognized for having an Exceptional Brochure and Program Guide, Exceptional Program for Vino & Vernici, Exceptional Special Event for the Summer Kick-Off and Exceptional Special Marketing for our Facebook page and with the Outstanding Individual Service Award presented to Department Director Thomas Venniro.

A SPECIAL THANKS

The Town of Parma would like to offer a special thanks to the Hilton Central School District, Administration, Transportation, and Buildings and Grounds for the use of their fine facilities and support services; the Village of Hilton for their efforts; the New York State Office of Children and Family Services; the Monroe County Office for the Aging for their financial support; and our local civic organizations, sport organizations and local businesses for all of their involvement in Parma.

THANK YOU VOLUNTEERS!

We would like to sincerely express our appreciation for all who have volunteered in one way or another for Hilton-Parma Parks and Recreation in the past year and prior. Over the past year we have been fortunate enough to host over 300 people in the community who have assisted us. Various community members, students, teachers, parents, civic groups and so many others have volunteered in the following capacities:

- Youth Sports Coaches
- Senior Lunch Assistants
- Special Event and Program Hands
- Park Improvement Teams

Without you all, much of what we do would not be possible. We thank you from the bottom of our hearts!
