NEW

A new program or event for this season

A Message from the Director

Welcome Fall Hilton-Parma Community,

First and foremost, we hope that this Experience Guide finds you all safe and well. Our lives have certainly changed over the past six months and we are sure that it has been very challenging and trying for many of neighbors. With that being said, the safe reopening of recreational activities has been a major focus of ours throughout this entire situation. During the months of June, July and August we were thankfully able to interact with many of you once again and it was a huge success. For those of you who were a part of our programs, we thank you for your trust in us to keep you safe while providing some new and traditional opportunities to recreate with one another.

Although modifications were made in accordance with our reopening plan guidelines, we enjoyed some of our favorite programs, such as; Summer Camp, Nature Camp and various Sports Camps. Due to the need to adapt, we also welcomed some really fun events, such as; our 2020 Summer Drive-In Series and Food Truck Wednesdays, which was held in partnership with our Friends of Hilton-Parma Parks & Recreation. Both events were a major hit and we are looking to expand on them this fall.

Speaking of the fall, this Experience Guide primarily focuses on offerings taking place in September and October but does include a few programs later in the season. Make sure to give it a look as it includes a very diverse array of programs and events both in-person and virtually! Some of the highlights include our Out of School Program, Community Garage Sale (and Mask Handout), Virtual Cookie Decorating, a Fall Drive-In Concert with Food Trucks and a revamped Halloween Celebration on Halloween Day!

Little by little, we seem to be finding our new normal, so please join us in doing our part with the goal of eventually getting back to the way things used to be. In the meantime, we are pleased to be able provide the offerings within this Experience Guide so let's dive into fall together!

I hope to see you all soon,

Thomas Venniro, Director of Parks & Recreation
