# A Message from the Director

Dear Hilton-Parma Community Members,

We truly hope that you all enjoyed a safe and fun-filled summer! It certainly seemed to fly by. For us, it was one filled with excitement thanks to the vast number of programs offered and the construction of our brand-new playground, Adventure Towers Playground at Parma Town Park!

Our new, state of the art playground at Parma Town Park broke ground in June of 2021 and was officially completed in August where we held a grand-opening of the play structure on Friday, August 27th in conjunction with our Hilton-Parma Summer Send-Off. The grand opening featured a ribbon cutting with many of our generous sponsors followed by a rush of children entering the play area to enjoy its many wonderful features throughout the evening. The moment where all of the children rushed to their play on the unit after its highly anticipated opening was one of the most special experiences I have ever been a part of.

The Playground features three massive towers; hence the name Adventure Towers, larger than life winding enclosed slides, a massive climbing net, a challenge course area, vibrant blue and green colored elements, and an inclusivity, highlighted by a blue pool in place rubber safety surfacing, making it easier for individuals of varied abilities to access areas within the structure.

This new and exciting addition to Parma Town Park was made possible by you, the tax payers, and the support of over 100 sponsors and donors, including our Playground Champion, Wegmans. Please see the graphic below as we highlight all those who contributed. Although it is difficult to fully express our appreciation for the joy you have brought to the community, please accept this most sincere THANK YOU!

As we welcome the comfortable fall weather and colorful foliage, we are excited to bring many opportunities your way. Please explore the content within to find your traditional favorites and other programs that might be new to you and your family members. We hope to see many of you soon!

Thomas Venniro, Director of Parks and Recreation
